## **VOLUNTEERING ACTIVITIES**

- I am the President of La Via del Sale ONLUS, an Italian NGO that raised about 500.000 euro in donations to help victims of the 2016 Central Italy earthquake. So far we have delivered 31 mobile houses to families that have lost their house and that, additionally, are especially vulnerable (disables, elders, children), and we have built a permanent house to a 15 year-old girl affected by DiGeorge syndrome. In total, we have helped more than 110 people, including 22 disables and 20 children. Our projects have received widespread media attention (e.g., <http://www.rai.it/dl/RaiTV/programmi/media/ContentItem-55c6d8e5-b447-40fd-b94d-45b93efc8cd2.html>).
